Circular

The undersigned is directed to inform that as per the proposal received from the stakeholders a provision for issuance of tea waste export license was made in the Tea Waste (Control) Order, 1959 (TWCO, 1959) vide notification No.S.O.3954(E) published in the official Gazette of Government of India on 31.10.2019 and the said notification was uploaded in the website of Tea Board.

However, the Board is receiving queries from stakeholders frequently on the procedure for applying tea waste export license. Accordingly, a detailed guideline is published and uploaded in the website of Tea Board in order to enable the stakeholders to apply for the tea waste export license.

The registered tea manufacturers desiring to export tea waste shall need to amend their existing tea waste license through the online portal of Tea Board, i.e., egiccs.teaboard.gov.in. The applicants other than the registered manufacturers should obtain fresh tea waste license from the Board, for which they need to submit application along with application fee in the aforesaid online portal. Every license (tea waste license) so issued for the purpose of exporting tea waste shall be valid as per the existing provisions of Tea Waste (Control) Order, 1959 and the same shall be auto-renewed as per the existing procedures. A guideline for auto-renewal of tea waste license has been uploaded in the website of Tea Board, i.e., www.teaboard.gov.in.

The concerned associations are requested to bring the content of this circular to the notice of all stakeholders under their jurisdiction.
