

LICENSING

The Licensing Branch is a vital wing of the Board for implementation of various statutory and regulatory orders issued by the Government from time to time. In addition, Licensing Branch provides necessary clarification and guidance to the Tea Industry and trade in relation to fiscal policies and different legislation concerning tea. The tea related issues under different Bi-lateral and Regional/Multilateral Agreement and its implementation on Indian Tea Industry are being examined by the Board time to time in order to formulate policy decision by the Govt. of India. The different statutory activities performed by the branch during 2008-2009 are enumerated below:

7.2 EXPORTER'S LICENCE:-

In accordance with the provisions of the Tea (Distribution & Export) Control Order, 2005 any person desiring to carry on trading in tea as an exporter needs an Exporter's Licence. The Licensing

Authority shall on receipt of such application convert the Licence into Permanent Licence if :-

- The business licensee is an exporter,
 - Such licensee has not violated any of the provisions of the Tea Act, 1953 or Tea Rules, 1954 or Tea Board Bye-laws 1955 or any order made under under the Act and
 - The volume of export of tea by the exporter holding the valid business licence during the last three years was not less than 1,00,000 kgs. annually.
- Such Permanent Licence is granted in Form G. A fee of Rs. 2500/- is to be paid by the applicant for conversion of Exporter's Licence into Permanent Licence.

The total number of tea exporters registered with Tea Board under the Tea (Distribution & Export) Control Order with valid exporter's licence stood at 1070 as on 31.3.2009 as against 1035 as on 31.3.2008. The total amount collected during the year 2008-2009 was Rs.1,62,000/- against issue of 162 fresh/temporary exporter's licence compared to issue of 162 fresh/temporary exporter's licence during the year 2007-08 amounting to Rs.1,62,000/-.

During the period from 1.4.2008 to 31.3.2009, 02 Exporter's Licence were converted into Permanent Licence. 7.4 Tea Waste Licence

The granting of Tea Waste Licence and Renewal thereof are considered in accordance with the provisions of

the Tea Waste (Control) Order 1959. The main objective of the Tea Waste (Control) Order, 1959 are to check any misuse of tea waste as also to regulate disposal of tea waste for certain gainful purposes. Accordingly, licences are granted only to the bonafide persons including buyers and sellers of the tea waste after proper investigation and scrutiny of the application. Under this order no person shall purchase, hold in stock, sell or offer for sale any tea waste except under and in accordance with the terms and conditions of a licence granted by Tea Board in this regard. Tea waste is generally used by the caffeine and instant tea manufacturers.

For caffeine manufacturers, tea waste is used in denatured form, while instant tea manufacturers, tea waste is used in undenatured form. Undenatured tea waste is also being used by the manufacturers of Bio-nutrient and Bio-fertilizer. Tea waste Licence remains valid up to 31st December of the year of issue, unless suspended or cancelled earlier and is renewable every year. During the year 2008-09 total amount of Rs.5,200/-; collected against issuance 52 fresh tea waste licences and renewal of 1016 licences amount collected of Rs.50,800/- 131 fresh tea waste licences were issued and 1093 renewed during the year 2007-08.

In order to fulfill the objectives of promulgation of the Tea Waste (Control) Order 1959 by the Government of India it is necessary to keep an eye over the availability and disposal of tea waste so that misuse is checked and disposal is regulated. For this, a limited number of Inspectors of the Board are posted in important tea growing regions and Tea Trading Centers. The activities of Tea Board in this direction are supplemental in nature. In fact, checking adulteration of tea as one of the food items comes under the purview of the Prevention of Food Adulteration Act, 1954 (PFA), implemented by the respective state governments having bigger machinery at their disposal. Nevertheless, Tea Board with its limited strength of Inspectors, detected cases of contravention of the provisions of Tea Waste (Control) Order, and action were also launched against such offending persons.

In accordance with the amendment made on 31.8.2001, Tea Board's regional office located in Coonoor and Guwahati are issuing and renewing Tea Waste Licences in case of receipt of applications by the respective office. As per amendment effected from 5/3/2002, there should be a minimum volume of tea waste and made tea at the ratio

2:100 Kgs. when processed out of the tea leaves, buds and tender stems of plant *Camellia Sinensis* (L) O Kuntze in a factory.

7.5 Registration-Cum-Membership Certificate (RCMC)

Every registered exporter of bulk tea, packet tea, tea bags and instant tea is required to be registered with Tea Board for obtaining registration cum membership certificate under the export import policy of the Government of India with a view to availing import/export entitlement benefits. The issue of such Registration cum Membership Certificate to the registered exporter is done free of charge. The number of such registered exporter who have obtained Registration cum Membership Certificate from the Tea Board during the period from 1.4.2008 to 31.03.2009 was 16 being the total number to 884.

7.6 Tea (Marketing) Control Order :

In accordance with the provisions of the Tea (Marketing) Control Order 1984, no person shall carry on the activities of manufacturing tea except under valid registration granted by the Tea Board in respect of tea manufacturing unit owned or controlled by him.

Under the provision of the Tea (Marketing) Control Order 1984 share holders like manufacturers, auction organizers and brokers were required to obtain registration / licence from the Tea Board before manufacturing tea and / or participating / conducting auctions. But the major share holder namely buyers who were one of the important players in the primary marketing channel were not within the purview of registration under the said Order. Therefore, there was no statutory provision for obtaining any information on purchase of tea from the buyers who are buying tea from auctions or directly from the gardens. In order to establish transparency in the total transaction (tea auction and direct purchase) at the primary level, it has been felt necessary to get buyers registered with the Tea Board.

There was no provision in the TMCO 1984 in relation to quality adherence for tea as well as sharing of sale proceed between the manufacturers and the tea leave suppliers. So, aiming at above benefit promulgation of TMCO 2003 in supercession of TMCO 1984 was made on 1st January, 2003 containing the following main features.

a) Registration of buyers and manufacturers of bulk tea with earlier provisions for registration of manufacturers of loose tea licensing of brokers and auction organizers.

b) Cancellation / suspension of registration of buyers with earlier provision for cancellation of registration of manufacturers;

c) Adherence to quality standards of tea as laid down under PFA Act 1954 by manufacturers /and buyers & brokers

a) Fixation of price sharing formula for sharing of sale proceed between the manufacturers and tea leave suppliers based on sale proceed of made tea.

b) Provision for sale of made tea out side public auction by registered manufacturers to registered buyers(including consignee or commission agent) except sale through own retail outlet or brokers directly to consumers .

c) Provision for drawing of sample from suspected tea to ensure its conformity to the PFA standard.

Clause 13 of TMCO enables Licensing Authority to issue direction to auction organizers , brokers for improving efficiency of the public auction system . The Tea Board following discussion at the level of Secretary, Ministry of Commerce and Industries, Government of India appointed consultant to undertake study on primary marketing of tea to suggest the following :

a) Need to preserve the auction system as main vehicle for primary marketing of tea.

b) Need for auction reform and implementation priorities;

c) Creating variety in auction (including promoting electronic auction).

d) Post reforms issues.

Based on the recommendations of the consultant, Tea Board has issued directives on 06.01.2003 to all the public tea auction organizers under the provisions of clause 13 of

Tea (Marketing)Control Order, 2003 for implementation of following auction rule to improve the efficiency of the auction system.

a) Catalogue closing time,

b) Introduction of ex-estate sale,

c) Rate of advancement of bidding,

d) Reprinting of bids,

e) Prompt date

f) Drawing of sample quantity per lot,

g) Reprinting unsold lots as well as sample quantity for reprinting lots,

h) Divisions of lots,

i) Proxy bidding,

j) Withdrawal of lots,

k) Sale of unsold lots,

l) Payment of warehouse charges.

The directive issued by the Tea Board on (a) Catalogue closing time (b) Introduction of ex-estate sale, (c)Rate of advancement of bidding (d) Reprinting of bids (e) Prompt date (f) Drawing of sample quantity per lot (g) Reprinting of unsold lots as well as sample quantity for reprinted lots are for reduction in transaction time and cost and for enhancing the speed of auction .

The norms for (h) Division of lots, (i) Proxy bidding are aimed at ensuring competition in the auction system and also to encourage participation of maximum under of sellers and buyers particularly small and medium sellers and buyers.

Norms relating to (j) Withdrawal of lots are aimed to encourage buyer's participations in the auction, as it will prevent seller to withdraw their lots from the auction after cataloging. Withdrawal of lots act as a disadvantage to the buyers to buy their required tea from the auction as it permitted seller to withdraw the lots before sale.

Norms relating to (k) Sale of unsold lots were acting as a deterrent to the market price discovery as it aimed at one to one sale and not open for competition from buyer members.

Norms relating to (I) payment of warehouse rent is aimed at to ensure the receipt of warehouse charges payable to warehouse owner by the manufacturer (seller) with the service of the brokers attached to auction. It is no way adversely affecting the buyers, as the buyer's payment as per auction sale to seller shall be paid by the brokers deducting the warehouse charges. The system was prevailing 4/5 years ago and reintroduction of the same system will benefit the warehouse owners without effecting the buyer's interest.

Subsequently Government of India has amended the Tea (Marketing) Control Order 2003 vide Notification No. S.O.247(E) dated 28.2.2003 and S.O. 430(E) dated 10.4.2003 for the following purposes:

1. To register manufacturer and buyer within 90 days from 1.1.2003 instead of 60 days stipulated earlier.
2. To reduce the licence fee/registration fee by 50%
3. To change the periodicity for the submission of return by buyers from monthly to quarterly. Government of India has further amended the Tea (Marketing) Control Order 2003 vide Notification No. S.O 270 (E) dated 27/2/2004 specifying the procedure relating to search and seizure and modifying the para 30 of TMCO towards fixation of price sharing formula and its compliance.

7.7 Registration of Tea Manufacturers Unit.

While under the provision of TMCO 1984 there was no registration fee to be paid by the intending applicant. TMCO 2003 stipulates a provision of submission of registration fee by the tea manufacturing units for the purpose of obtaining registration from Tea Board. During the year under review, Tea Board granted 8 such registration in favour of tea manufacturing units. The total amount collected during the period i.e. 2008-09 from registration of Tea manufacturing unit is Rs.20,000/-. The total number of registered Tea Manufacturing units is 1894 as on 31.3.2009.

7.8 Registration of Auction Organizer / Auction Brokers:

Clause 9 of the TMCO 2003 stipulates that no organizer or tea auction shall carry on the business of organizing, holding or conducting public tea auction under its control / auspicious except under a licence obtained from Tea Board. Such

licence is renewed every year and is valid up to 31st December each year. During the year under review, Tea Board renewed licence in respect of 9 Auction Organizers and issued no fresh licence in favour of new auction organizer. The total amount collected during the period under review was Rs.4500/-.

Clause 10 of TMCO 2003 stipulates that no person shall carry on the business of broker of any public tea auction except under a licence obtained from the Tea Board. Such licence is also valid up to 31st December of each year and is renewable each year. During the year 2008-09 Tea Board renewed licence in favour of 24 brokers and no fresh licence was issued in favour of broker. Total amount collected during the period was Rs. 12000/-

Tea Board, based on the recommendations of A.F. Ferguson and with the assistance of M/s. IBM and M/s. Accenture introduced electronic auction for tea at Coimbatore on 29.5.2004 as a pilot project. Subsequently, electronic auction system was introduced at Guwahati, Cochin, Coonoor and at Siliguri. Installation of hardware at Kolkata auction was also completed by June 2006. Leaf tea was routed through Coimbatore and Cochin auction fully and through Guwahati and Siliguri auction selectively. Both lead and dust tea was routed through e-auction platform at Coonoor auction fully.

However, in view of shortcomings in the said e-auction system developed by M/s. IBM under the guidance of the then consultant viz. M/s. Accenture, it was decided to re-design e-auction system in its entirety.

Based on discussions at different levels and based on views obtained from technical experts, Ministry of Commerce and Industry and Tea Board decided to re-design the e-auction system after ensuring compliance of procedure of Government of India. Tea Board elected a consultancy firm viz. M/s. NSE.IT for re-designing of e-auction system in June 2007 and requested MOC & I, GOI for its approval. MOC & I in principle, approved the proposal of Tea Board and the same was communicated to Tea Board on 6.9.2007.

Tea Board discussed with the consultancy firm in October 2007 in finalizing the road map for implementation of the e-auction system. Subsequently M/s. NSE.IT had discussed with the stakeholders of six auction centre during

November and December 2007 and obtained their views on different issues relating to (a) Pre-auction mechanism, (b) E-auction mechanism, and (c) Post-e-auction mechanism enabling the consultancy firm to prepare the draft Business Requirement Specification (BRS).

One agreement stipulating different provision **including time schedule for implementation of the e-auction project** was finalized and signed in December 2007 between Tea Board and M/s.NSE.IT.

MOC&I has intimated the approval of the Market Promotion Scheme of 11th Plan Period of Tea Board including the project for re-designing of e-auction system in 1st week of February 2008.

The **draft BRS** had been prepared by M/s. NSE.IT in consultation with Tea Board and the same was submitted on 3.3.2008 before the e-auction Advisory Committee, constituted with 27 members representing different auction stakeholders, marketing experts etc, for their views for its finalization to enable M/s. NSE.IT to prepare **System Design Documents**.

- **NSE.IT has customized software for User Acceptance Testing (UAT)** based on the BRS.
- NSE.IT has also taken steps for **procurement of hardware on behalf of Tea Board for use as servers**.
- As per recommendation of NSE.IT, Tea Board has identified service provider for hosting of servers with office space and its maintenance.
- Tea Board, as per recommendation of NSE.IT, has selected service provider for providing primary network connectivity viz. MPLS VPN network connectivity. All the auction organizers have also been requested to obtain secondary network connectivity from BSNL, with 2 Mbps 1:1 bandwidth.
- M/s. Reliance has provided MPLS VPN network connectivity to six auction centres and to the server hosting station at Mumbai.
- A user's manual has been prepared NSEIT and circulated in advance to all the auction centres which indicates step direction on how to use the redesigned e-auction system by tea auction stakeholders.

- NSE.IT had imparted training September/October 2008 to auction stakeholders of six tea auction centre.
- The services of 'Support Engineer' of NSE.IT at each auction centre are being utilized by the concerned auction stakeholders for using the e-auction system since December 2008.
- Live e-auction started fully/partially in six auction centre since April 2009.

Following a directive from the Supreme Court in the case of Nilgiris Tea Emporium –Vs-Union of India and others, the Government of India examined the matter relating to sale of flavoured tea in the domestic market. Consequently, Government of India, Ministry of Health and family welfare, Issued notification No. GSR 847(E) dated 7th December, 1994 amending the PFA Rules 1955, As per the Provisions of these amendments, the Condition for sale of flavour tea has been notified as follows. in consultation with the expert of Central Committee for Food Standards for allowing additional flavour in tea for domestic market.

Subsequently, Government of India vide notification No. GSR/698(E) dated 26/10/1995 allowed few more flavours in addition to Vanillin flavour and their respective percentage in flavoured tea are as follows:

Ministry of Health and Family Welfare, Government of India amended further the PFA Rules by Notification No .GSR 694(E) dated 11/10/1999 which has been effective from 11/4/2000. The said notification was aimed allowing all natural flavours and natural flavouring substances singly or in combination. The definition of "Natural flavour and Natural Flavouring Substance" is indicated in sub-rule (A) or rule 63 of PFA Rule. The other condition which has been stipulated in the said notification is that "Flavoured Tea manufacturers shall register themselves with the Tea Board before marketing Flavour Tea".

In addition to the above condition laid down in notification dated 1.10.1999, Directorate General of Health Services, Government of India vide letter No. P-1501/5/97PH-(Food) dated 18/2/2000 stipulates the following conditions.

- Methodology for estimation of flavours in tea shall be supplied by the manufacturer to Tea Board.

However, to avoid such confusion Ministry of Health and Family Welfare, Government of India further amended the PFA Rule by issuing notification No.GSR770(E) dated 4/10/2000.
