

# Tea Board-CII FACE Workshop

## *Food Safety & Standards Regulations, 2011- The New Mandate*

Ministry of Health and Family Welfare, under the Food Safety and Standards Act (FSSA), 2011, has set up Regulatory Guidelines for all organizations managing food and beverage operations to implement Good Hygiene Practices, Good Manufacturing Practices and fulfil the requirements of Codex HACCP guidelines.

It will thus be important for all food organizations to be aware about the challenges they will be facing with the enforcement of Food Safety & Standards Act (FSSA) which has come into force, from Aug 5, 2011. As per the act, all Food Establishments and Manufacturing Units have to procure either Licence or get them registered with FSSAI as per their turnover, prior to 4<sup>th</sup> August 2012.

As a part of our initiative in preparing organizations associated with tea business to face the upcoming challenges of this Act, Tea Board in association with CII FACE is going to conduct two Awareness Programmes FSSR, 2011- The New mandate in **Jorhat (27<sup>th</sup> June)** and **Golaghat (28<sup>th</sup> June)**.
