Bannockburn 688***	Thurbo 3*	
Lingia 12*	Thurbo 9*	

Not recommended for future planting. However, T78 can be used as generative clone of biclinal seed stock, TS 569.

The clones can be categorized as:

- * Standard : Above average yield and quality with yield potential of 3,000–3,500 kg MTPH.
- ** Quality : High quality but average yield with yield potential of say 2500 – 2800 kg MTPH.
- *** Yield : Average quality but high yield with yield potential of 4000 or above.

11. Neoland Technologies, Assam
12. State Agriculture Department Laboratories

ANNEXURE - 3

MODEL RESOLUTION / BYE LAWS OF SELF HELP GROUPS

1. The name of the group shall be _____.
2. The _____ (Name of the Group shall be located in village _____, Sub- Division _____, District _____, Development Block _____, Revenue Circle _____).
3. The _____ address of the _____ group is _____

_____.
4. The objective of the _____ (Name of the Group) are :
 - ❖ To promote selling of leaf in a collective manner for better bargaining power.
 - ❖ To promote demonstrating modern post harvest technologies in leaf handling, storage and transportation, to produce and supply better quality of green leaf to the manufacturing units.
 - ❖ To promote saving habit on a regular basis amongst the members;
 - ❖ To make available cash credit on easy terms primarily to expand their activity and secondarily to meet urgent needs for efficient running of the plantation.
 - ❖ To form a group which would be eligible for receiving benefit from Government programmes, which are not available to individuals;
 - ❖ To provide forum through which awareness related to production and quality management of green leaf and other Income Generating Activities (IGAs) such as group & money management, skills, IGA management, record keeping and viability analysis can be increased and other development activities can be pursued ;
 - ❖ To build leadership skills of the members so that they can manage the group in rotation ;
 - ❖ To thrive for setting up of a processing unit of its own for converting the green leaf produced to made tea for better price realization.
5. Membership
 - ❖ Any tea grower with valid bio-metric ID (Smart Card ID) can be a member, who are :
 - Desirous of selling leaf, as a group, as required for an Income Generating Activity.
 - Permanent resident of the village.
 - Total number of members shall not be less than 20 and area under command shall not be less than 20 Ha.
 - Not more than two members of a family shall be allowed to join a group.
6. Savings:
 - ❖ Every member shall save Rs _____ per month on _____ (Date), on which all members will deposit their individual savings to the treasurer.
 - ❖ The _____ (Name of the group) members shall decide the savings amount on a regular basis from time to time.
 - ❖ If a member does not pay her/his monthly savings money on decided date, he/she will be fined with Rs _____ per _____ (e.g. per month/ week/ day etc)

7. Management of the group :

There shall be a management committee consisting of three persons, viz ; President, Secretary and Development Officer of Tea Board, who shall be elected by all the members and amongst the members for a period of one year. The president and secretary must be from different families.

The committee as a whole shall be responsible for strategic as well as day to day management of the group. It is preferable that secretary and president can read and write. The individual responsibility of the office bearers shall be the following :

President :

- ❖ Preside over the regular meetings and any other meetings of _____ (Name of the Group).
- ❖ Sign to approve the decisions and resolutions of the meetings ;
- ❖ Call or postpone any special meeting ;
- ❖ Solve any complaint with the help of other office bearers and members, if required ;
- ❖ Check and co-ordinate the activities of other office bearers and members ;
- ❖ Maintain liaison within and outside the _____ (name of the group) especially with bank, Government functionaries and other source of help.

Secretary :

- ❖ Call meetings with prior permission of President and prepare agenda for every meeting;

- ❖ Maintain a record of the proceedings of all regular and special meetings and read them out at the next meeting ;
- ❖ Write resolution made at each meeting and read them out at the same meeting;
- ❖ The secretary will maintain the following registers
 - Membership register
 - Attendance register
 - Activity and resolution register.

Moreover, the group may appoint a treasurer or the secretary of the group will discharge the following responsibilities :

- ❖ Preserve important papers and documents related to financial matters ;
- ❖ Maintain all accounts of the _____ (Name of the group) ;
- ❖ Deposit cash in the post office/ Bank within 2 days of collection if the cash is more than Rs _____;
- ❖ Pay loan approved by the _____(Name of the Group) to members and receive savings, repayment, interest etc;
- ❖ Present all financial report of the group.

Development officer of Tea Board :

- Present in all important meeting conducted by the group ;
- Act as advisor in all important matters ;
- To advise periodically about the notifications of the Government and conduct training programmes accordingly.
- Should be a joint signatory in case of drawing of revolving corpus of Tea Board from Bank account along with either President or Secretary of the Group.

8. Meetings :

- ❖ The group will meet _____ times every month. The secretary of the group is supposed to give _____ days notice to the members about such meetings.
- ❖ All members shall have the right to attend and take part in discussion at periodic meetings of the _____ (Name of the Group) and special Annual Meetings and offer suggestions from time to time for better management of the _____(Name of the Group) ;
- ❖ To discuss an urgent and important issue the group will hold special meetings on a shorter notice.
- ❖ If a member does not attend _____ consecutive periodic meetings without any prior information, she will have to face penalty of Rs _____ per meeting;
