**Office Order No. 23/2016**

Instances of unauthorized treatment and medical reimbursement claims for both in-patient and out-patient treatment for the employees and their dependents have been brought to the notice of the competent authority. In view of the fact stated above, it is reiterated that the approvals for in-patient and out-patient treatment of the employees will be given strictly on the basis of CS(MA) Rules, 1944 and only if it is referred by an Authorized Medical Attendant (AMA) as per CS(MA) Rules, 1944 as applicable to Tea Board.

For admission to the hospital prior approval from the competent authority has to be obtained. In case of emergency medical conditions requiring hospitalization or otherwise, the provisions of CS(MA) Rules, 1944 should be followed strictly.

This comes into force with immediate effect.
