File No. 12(17)/LC/2008/Part/II/11720

Dated.17.09.2018

PUBLIC NOTICE

In exercise of the powers conferred by sub-sections (3) and (5) of Section 30 of the Tea Act, the Central Government has made the Tea (Marketing) Control Order, 2003. Paragraph 3 of the Tea (Marketing) Control Order, 2003 stipulates that no manufacturer shall carry out the activities of manufacturing tea without obtaining a valid no objection certificate from Tea Board for each factory to be set up by him and after completion of the factory, the manufacturer shall apply for obtaining registration in respect of each factory owned or controlled by him.

Based on the above provisions, NOC and Registration Certificate to manufacturing units are being issued by Board as per the applications submitted by individual applicants. However, it has come to the notice of the Board that many such registered manufacturing units have expanded their installed capacities over the years without obtaining prior approval from Tea Board for such expansion, which is a violation of the above said provision of the Tea Marketing (Control) Order, 2003. Upon verification, it has been understood that such expansion have been undertaken by the manufacturers since the original certificate issued to them did not explicitly mention the installed capacity granted.

Therefore, keeping in view the above said fact and in order to regularize these manufacturing units by condoning the lapses occurred, Board has undertaken a field survey and indentified the units so that the present installed capacities of these factories are updated in the record of Tea Board as well as in the record of the those manufacturers.

Therefore, a draft list in this regard has been prepared and the same has now been uploaded in the website of Tea Board www.teaboard.gov.in for information to all concerned. Board has also invites objections, if any from the concerned manufacturer in case of any discrepancy in the draft data pertaining to his unit, within one (01) month from the date of issuance of this public notice.

The deviations, if any, shall be notified to Tea Board in writing in the attached format within the above said time period of (1) one month for taking further action at Board's end for regularisation. Please note, that no correspondence in this regard would be entertained by the Board after the stipulated period of one month

Sd/-

Secretary

PROFORMA FOR SUBMITTING OBJECTION

Sl. No. as per the draft data	Name of the manufacturing unit	Type of the manufacturing unit	RC No. with issuing date	Location of the factory	State	Installed capacity as per the draft data	Point of objection	Reason for objection	Remarks , if any
