### Visit of Director, Tea Development and other officials of development Directorate, Kolkata to Siliguri for resolving various issues related to subsidy matters.

With reference to the above mentioned subject, a team from Development Directorate Kolkata is camping at Siliguri from 24<sup>th</sup> February 2020 for resolving various issues related to subsidy matters. The team from Kolkata, Head Office along with local Tea Board officers would be stationed at Siliguri to discuss, deliberate and resolve the issues pertaining to disbursement of subsidy amounts (orthodox subsidies, re-plantation subsidies, etc.) allotted for North Bengal including committed liabilities.

Therefore, all concerned stakeholders are requested to contact the officials at Siliguri for direct resolution/disbursement of subsidy amount to the best possible extent as per the existing guidelines of Tea Board.

The Board also expresses its deep regrets over the misunderstanding of allocation of subsidy amounts of North Bengal between NER and ONER which seems to have created a feeling of neglect in tea gardens of North Bengal. Additional allotment is being made by the MoC&I, The committed liabilities will be cleared, and inspections, and receipt of applications will also start.

It is further clarified that the additional allotment being made is supplementary in nature and the existing share of the North East states will continue in the ratio decided by MOC&I.
