**Sub:** Quotation for Green leaf sheds under SCSP scheme for A/C 2015-2016

Dear Sir/Madam,

The undersigned is directed to inform you that this office intends to construct Green Leaf Sheds meant for collecting point for green leaf from the small tea growers in different parts of South India. The green leaf sheds are to be constructed by and large in the Nilgiris district in Tamil Nadu, and parts of Waynad and Idukki districts in Kerala.

1. The land for the purpose will be identified and intimated to the selected bidder in due course.
2. The dimensions of the shed may vary from place to place depending on the number of small growers residing in the area.
3. The rates may be quoted at per square feet ranging from 300 sqft to 600 sqft.
4. The quotes must be comprehensive and should be inclusive of all cost elements such as basic materials cost, supplementary materials cost, cost of transportation, cost of cement, applicable taxes and other charges if applicable.
5. Any specific variations in the rates must be mentioned separately.
6. The materials to be used must be of the best quality with appropriate specification and of reputed brands.
7. The transportation costs of material should be compulsorily borne by the firms.
8. The quotation shall also include cost of civil works if any.
9. Time schedules must be strictly adhered to by the selected firm any violation of time schedule will be viewed seriously.
10. Interested firms may quote their rates only after taking into due consideration all the relevant factors such as geographical locations, means of transporting raw materials, time likely to be involved etc.,
11. Refusal to execute the works citing reasons apart from force-majeure will attract severe penalties.

Sealed quotation, addressed to The Deputy Director of Tea Development, Tea Board of India, Zonal Office, Shelwood, Club Road, Coonoor-643101, should reach this office on or before 28-12-2015 positively. The interested applicants can send their quotations in the sealed envelope which should compulsorily be superscribed as "Quotation for Leaf Sheds".

The Executive Director reserves the right to reject the quotations partially/fully without assigning any reasons thereof.

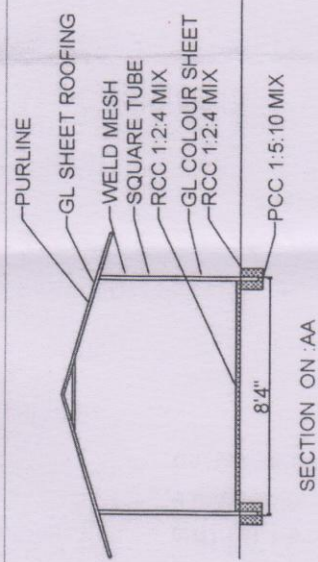

Encl.: (1) A diagram of Model Shed is enclosed.

Yours faithfully,

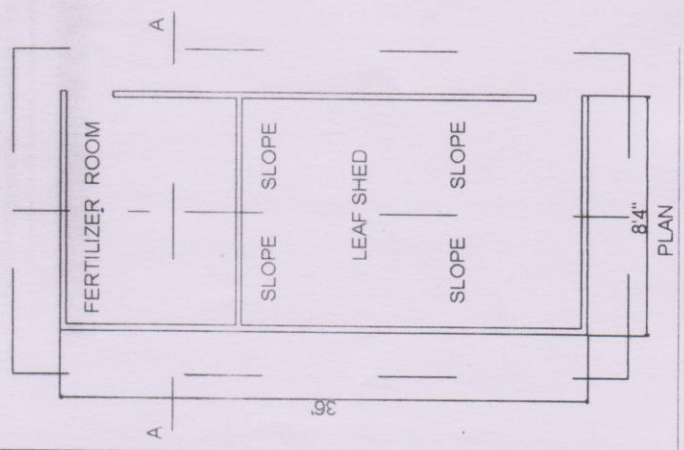

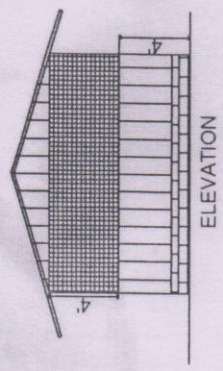

(C. S. Hariprakash)

Deputy Director of Tea Development
